

TerraForm Power owns and operates a best-in-class renewable power portfolio of solar and wind assets located primarily in the U. S. and E.U., totaling more than 3,700 MW of installed capacity. TerraForm Power's goal is to acquire operating solar and wind assets in North America and Western Europe. TerraForm Power is listed on the Nasdaq stock exchange (Nasdaq: TERP). It is sponsored by Brookfield Asset Management, a leading global alternative asset manager with more than \$350 billion of assets under management.

Senior Accountant Revenue and Billing

Summary:

The selected candidate will be part of the Revenue, Billing and Collections Team that will manage our Revenue recognition and analysis as well as the Billing and Collections daily work flows in our high-volume renewable energy multi entity environment. The Senior Accountant will work with the team to improve the process, and help plan and implement process improvements to maximize efficiency and strengthen controls.

Responsibilities:

- Calculate, review, approve, distribute and record revenue invoices related to multiple product types and contracts for Energy and Incentives for both Wind and Solar
- Prepare schedules and analyze revenue results against budget, prior quarters and prior years and provide succinct explanations to auditors and internal stake holders
- Review and understand contracts and ensure compliance regarding revenue recognition and billing
- Interact with customers to ensure understanding and approval of billed amounts, resolve disputes and ensure prompt payment.
- Calculate and prepare journal entries to record accruals and reversals, maintain schedules supporting the accruals and reconcile to the general ledger
- Prepare quarterly and annual PBC schedules for independent auditors and provide responses and support to all requests.
- Ensure a SOX compliant environment is being maintained through proper reviews, segregations of duties, and delegation of authority
- Manage several different billing systems and ensure integration to general ledger
- Prepare and review Accounts Receivable schedules and work with customer to ensure payments
- Assist cash application team in identifying and recording unidentified payments
- Assist in the development and improvement of Revenue recognition, analysis and billing processes to create a more streamlined approach
- Cross-functional collaboration with FP&A and project accounting to ensure business needs are being met
- Perform ad-hoc duties as requested by Revenue Manager and Director of Revenue Accounting

Required Qualifications:

- BS degree in Accounting or Finance, CPA a plus
- 3-5 years of related revenue accounting or public accounting experience
- Detail oriented, professional attitude, reliable. Ability to interact with employees, auditors and customers in a professional manner
- Expert in Microsoft Excel.
- Must have ERP experience; Microsoft Dynamics AX experience a plus
- Strong problem-solving skills and accounting principles knowledge, documentation skills, research and resolution skills, data analysis and multi-tasking skills
- Knowledge of SOX requirements and internal control best practices
